Denver, CO | (C) 303-726-2125 | CRobert Jordan 1991@yahoo.com

Professional Summary

I'm a creative front-end developer who enjoys designing and developing UI/UX web experiences with a focus on usability and accessibility standards. My passion for software development pushes me to learn and refine my skills through a variety of means. I enjoy working on complex problems, learning from peers and mentors, and I strive to bring positive energy to every project I'm a part of.
